2018-2019 Annual Report

# Our Mission

## MISSION

The United Way of Iredell County improves our community and its people by uniting partners to meet local health and human service needs.

Statistically, I only had a 16% chance of attending and graduating from college. Because my mom and grandmother worked tirelessly to support me and my four (4) siblings there wasn't time to pay much attention to our academia. The five (5) of us were enrolled at the Boys & Girls Club of the Piedmont where I received the mentoring and inspiration I needed to be successful. I not only attended college but graduated. I am now the Membership Coordinator at the very Club that was so instrumental in my success.

*YOUR DONATION LOOKS LIKE ME!*

# Our Commitment

## OUR COMMUNITY

United Way fights for the health, education, and financial stability of every person in Iredell County.

## OUR PROMISE

We win by living UNITED. By forging unlikely partnerships. By finding new solutions to old problems. By mobilizing the best resources. And by inspiring individuals to join the fight against their community's most daunting social crises.

## CHANGING THE ODDS

# Our President

Dear Community Members,

2019 is shaping up to be another exciting year for the United Way of Iredell County. We continue to find new ways to bring our community together and to redefine what it means to “Live United”. As the needs in our community have changed and become more complex, the United Way has implemented innovative solutions to community-wide issues.

We continue to partner with individuals and agencies across the community to manage grants and collaboratively develop programs to deliver services to those in need. The transportation grant which was awarded by the NC Department of Transportation allowed 2,812 individuals to have transportation to their healthcare appointments through our partners at ICATS. Our free 24/7 call center at NC 2-1-1 responded to over 900 calls for help from Iredell families in crisis, a number that is likely to grow dramatically this year with our new role in Medicaid transformation.

The community response to the Million Dollar Challenge to support the United Way Endowment for the Future has been overwhelming. With over a year left in the campaign, we are over 2/3's of the way to raising \$2 million dollars; well on the way to receiving the generous 1 million dollar matching contribution. The Endowment is a central part of our community's commitment to the future. It will allow us to conduct deep assessments of community needs or to act as a rapid-response fund, enabling quick action in the face of local emergencies, whether natural disasters or economic downturns.

These are but a few of the many ways that the 4,000 plus volunteers and donors of the United Way made a difference in our community this year. Our combined efforts reached over 100,000 Iredell residents with support and services. At the Longest Table Event in May, over 900 neighbors from all walks of life were once again brought together to share a meal and reflect on “One Good Thing” about our community. To me, one great thing is the willingness of so many people to come together and commit to making our community a better place.

With Gratitude,

Marian Steele, Board Chair  
United Way of Iredell County, Inc.

# Endowment For The Future

**With great excitement, in the fall of 2018, the United Way of Iredell County Endowment for the Future announced the Million Dollar Challenge; a targeted campaign to increase the impact of this fund by raising \$3M in new pledges. This challenge consisted of an anonymous donor challenging the UWIC Board to raise \$2M. When this goal is met the Endowment will increase by \$3,000,000.**

Barry and Anna Gordon, co-chairs for The Million Dollar Challenge agree that this may seem like a daunting challenge, but they are confident that we can do this and we will do this in order for future generations to thrive. The Endowment effort is blessed with volunteers who share our vision to leave an everlasting legacy for the community that has nurtured us. Thank you for sharing this challenge with us and for your support of the United Way of Iredell County!

# The Longest Table

# 1 Good Thing

On May 21, 2019, United Way of Iredell held the second **LONGEST TABLE** at Signal Hill Mall. "Thank You" to everyone who was able to join us at this year's 2019 Longest Table event in Iredell County. With an estimated 900 people sharing 'One Good Thing', we came away with a LOT of smiles from the day!

# What & Why We Do What We Do

**AT THE UNITED WAY OF IREDELL COUNTY** we win by helping families shift from surviving to thriving. Across our community, there are many organizations, companies and people hard at work helping their neighbors with hunger relief, housing, education, and jobs - each tackling these issues independently and with their own approach. But no one organization or person can fight poverty on its own. The UWIC maximizes our impact by aligning organizations, companies, local government and community members to help families eliminate tough choices and live better while making ends meet.

One of the most powerful words is **IMPACT** - creating tangible, significant results. That's what UWIC aims to do every single day!

**VOLUNTEERS** are the lifeline of the United Way of Iredell County. Volunteers are used for the campaign, board of directors, the community investment process, Get Fit Iredell, Stuff the Bus, and the Longest Table to name a few. During the 2018-2019 year over 450 volunteers were engaged in all facets of the UWIC.

This year we were very fortunate to have Bridget Gibbs as our intern, who is also working on her Masters in Business Education.

***THANK YOU, BRIDGET!***

If you are interested in volunteering with UWIC, investing your time and talents, please call Brett Eckerman at 704.872.3000 or email him at [beckerman@uwiredell.org](mailto:beckerman@uwiredell.org).

## **WE FIGHT FOR EDUCATION**

so that all children and youth reach their full potential.

## **WE FIGHT FOR FINANCIAL STABILITY**

so that all families can prosper economically.

## **WE FIGHT FOR HEALTH**

so that everyone - from young to old - can lead full and productive lives.

### **We achieve outcomes in these key areas by:**

- Researching and assessing issues
- Developing and adopting long-range goals
- Championing effective collective action
  - Engaging volunteers
  - Fostering emerging leaders
  - Advocating for solid public policies
- Investing in quality programs and initiatives
  - Raising public awareness
  - Forging collaborations

Annual Report 2018 - 2019

As a shut-in confined to a wheelchair I not only get lonely for someone to talk to but it is very difficult for me to prepare my own meals. I appreciate the home delivered meals, not only for the food but also for the company. The volunteer that delivers my meals always takes a few minutes to make sure I am alright and not in need of anything.

Growing up in an impoverished neighborhood, in a small town, kids like me had very little access to books. Due to a program sponsored by our local United Way books were made accessible to kids of all ages. Thanks to this program and others like it, I learned to love reading. I am now a successful and educated member of society, who works to improve the health of others daily.

## ***Are you a nonprofit looking for FREE assistance in funding your programs?***

Visit the Statesville Library today to find potential grants within the Foundation Information Network. United Way of Iredell County has partnered with the Iredell County Public Library - Statesville Branch to bring this international funding database to our area! If you would like more information on how to maximize use of the database contact Sara Lewis at 704.872.3000 or email her at [slewis@uwiredell.org](mailto:slewis@uwiredell.org).

## ***Looking for transportation services??***

Dollars are available in the county for those over the age of 65 years old or on disability to utilize in order to reach their medical appointments. These funds can be accessed by calling ICATS at 704-873-9393. United Way of Iredell County, Council On Aging, ICATS, and the North Carolina Department of Transportation are working together to make these rides possible in the county. Reach out today!
